

Our children need YOU! Join St. PJ's Supper Sidekicks - during our weekday evening dinner time, to provide and serve supper to the children living on campus and get to know St. PJ's first hand in the casual setting of our dining room. We encourage our children to have a family style atmosphere and YOU can help by making a connection with the children by providing and serving them dinner and giving them a much-needed smile. YOU can make a direct impact on our children by your gifts of time and service.

Group Service Planning

On a weekday evening, plan to bring food and serve up to 140 people including children and their direct care staff on your evening of service. Meals are served between 4:15 and 6:00 pm in four (4) shifts. Volunteer teams should arrive between 3:30 and 3:45 pm to set up for service and for a brief orientation. Volunteers will provide a hot meal and serve dinner. We ask that teams provide between 3-10 volunteers for the evening. Clean up after the meal is facilitated by all parties involved; volunteers, residents, and St. PJ's staff. We will gladly accept donations of desserts, sodas, Gatorade, and Capri Sun, etc. but it is not required. If provided, it will be a great treat for the children!

Please see the volunteer request form for details and to request availability.
